

ADVANCE RANGE C426

TYPE	Glasswasher
LINE	ADVANCE RANGE
BASKET	400x400
SIZE	470x535x660h mm

Professional glasswasher designed to wash cups, saucers, and glasses with a **useful clearance up to 270 mm**. Equipped with the **ADVANCE** control panel with 4 customizable wash cycles and an automatic drain cycle (available with installed drain pump), it ensures **high performance and maximum ease of use**. The display shows the tank and boiler temperature, self-diagnosis messages, scheduled maintenance alerts, and the machine's operating status via the **SMART START** button, which changes color according to the operating phase. The electronic board allows regulation of tank and boiler temperatures, with activation of the **Thermostop** functions. The built-in dual detergent and rinse aid dispenser ensures precise dosing and savings. Entirely made of **AISI 304 stainless steel**, the **C426** is designed to simplify maintenance thanks to the front-facing layout of all components.

MODEL COMPLIANT WITH EN IEC 63136 :
See the [performance chart](#).

DISHWASHERS FEATURES	ADVANCE RANGE C426
Dimensions - (mm) L - P - H	470x535x660h mm
