

ELITECH NORTH AMERICA

EL42E-A

TYPE	Glasswasher
LINE	ELITECH NORTH AMERICA
BASKET	400x400
SIZE	470x535x710h - 18.5039x21.063x27.9528in

The **EL42E-A** is the undercounter glasswasher from the **ELITECH** line, designed to ensure **flawless performance and maximum hygiene** in any professional setting. The **Acquatech System** technology keeps the water pressure and temperature constant, delivering a **sanitizing rinse** at the end of each cycle. The **UNIKO touch display** allows intuitive interaction: from selecting a **wide range of cycles** to **monitoring the cycle progress** and machine status through the **SMART START** button. With a usable height of **310 mm**, EL42E-A is ideal for washing **cups, glasses, small plates and dishes**. It is ready for use with **Reverse Osmosis systems**. The **electronic board** enables parameter customization and activates the **Thermostop** function, which ensures that washing and rinsing start only once the desired temperature is reached. The **double peristaltic dispenser** guarantees accurate dosing of detergent and rinse aid, optimizing consumption and results. The **self-cleaning cycle** prevents limescale build-up in the tank and boiler. Structure in **AISI 304 stainless steel** with frontally accessible components.

This model is **ETL certified** as it complies with the **UL Std.921** requirements.

DISHWASHERS FEATURES	ELITECH NORTH AMERICA EL42E-A
Dimensions - (mm) L - P - H	470x535x710h - 18.5039x21.063x27.9528in
n° baskets/hour - (+55°C)	Max 48
Height glass max	285mm
Ø height plate max	305mm
Tank heating element - Tank capacity	2,6kW - 17lt
Boiler heating element - Boiler capacity	2,6kW - 5,6lt
