

ELITECH RANGE EL55EH

TYPE	Warewasher
LINE	ELITECH RANGE
BASKET	500x600
SIZE	585x715x1450h

EL55EH combines the efficiency and versatility of a **multifunction dishwasher** with a **raised structure** that ensures **greater working ergonomics**. The **integrated storage compartment** helps optimize space. Equipped with **Acquatech System and Break Tank**, it guarantees **constant pressure, temperature, and flow rate** throughout the wash cycle, ensuring maximum hygiene and reduced consumption. It washes **trays, GN 1/1 pans, 600x400 crates** and up to **22 plates per cycle**. The powerful pump and **dedicated wash arms** remove even the toughest dirt, while the **SOFT Door** and **SOFT Start** systems protect dishes during each cycle. The **UNIKO** touch display in tempered glass allows selection of multiple programs, cycle progress monitoring, and machine status control via the **SMART START** button, which changes color according to the operating phase. The electronic board manages times and temperatures with **Thermostop**, while the **dual detergent and rinse aid dispenser** ensures hygiene and savings. The **stainless steel tank filters** guarantee maximum durability and easy cleaning. Entirely made of **AISI 304 stainless steel**, the EL55EH dishwasher is designed to ensure high performance and simplified maintenance thanks to the front-facing component layout.

DISHWASHERS FEATURES	ELITECH RANGE EL55EH
