

# ELITECH NORTH AMERICA EL60E-A

TYPE	Pass-through dishwasher
LINE	ELITECH NORTH AMERICA
BASKET	500x500
SIZE	620x770x1435/1900h - 24.4094x30.315x56.1

The pass-through dishwasher **EL60E-A** handles plates, glasses, utensils, and **GN 1/1 trays** with precision, thanks to a usable height of up to **440 mm** and a width of only 620 mm. The **Acquatech System** with break tank, atmospheric boiler, and rinse pump maintains **constant pressure, flow rate, and temperature**, ensuring a **sanitizing rinse and impeccable hygiene** at all times. The **UNIKO touch display** enables intuitive cycle management, monitoring progress and machine status via the **SMART START** button. The **PUSH TO START** system prevents accidental starts, thermal dispersion, and reduces energy waste. The **electronic board** allows full parameter adjustment and activates the **Thermostop** function, ensuring that the wash and rinse phases start only once the minimum set temperatures are reached, for always perfect results. The **self-diagnosis system** promptly alerts the user to anomalies and required actions, reducing downtime. The **end-of-day self-cleaning cycle** thoroughly cleans the tank and protects the boiler from limescale. The **optimized wash arms** ensure effective pressure and reduced water consumption. Structure in **AISI 304 stainless steel** with front access to technical components.

**MODEL COMPLIANT WITH EN IEC 63136 :**

See the [performance chart](#)

This model is **ETL** certified as it complies with the requirements of **UL Std.921**.

DISHWASHERS FEATURES	ELITECH NORTH AMERICA EL60E-A
Dimensions - (mm) L - P - H	620x770x1435/1900h - 24.4094x30.315x56.4961/56.4961in
n° baskets/hour - (+55°C)	Max 60
